Dr. Martin Assumes Office As Auburn's 14th President

On February 15, Dr. James E. Martin moved into Samford Hall as Auburn's fourteenth president. Immediately following a welcoming reception, he set about getting acquainted with Auburn's programs as well as its faculty, staff, students, and alumni.

Before his first two weeks in office were over, President Martin had appointed a search committee to find an executive vice president, attended the semi-annual meeting of the Alumni Association Board of Directors, met with student leaders, talked to honors students, and participated in a student-organized forum. He also addressed the Faculty Senate and joined the University Library Committee in a meeting to seek solutions to Auburn's library problems.

Moving out across the state, President Martin scheduled six regional meetings with businessmen and alumni. A primary purpose of the meetings was to acquaint Alumni Legislative Committees with Auburn's needs and hopes for the next budget year.

Dr. Martin had earlier announced that one of his first official acts would be to secure an executive vice president. That position had remained vacant during the year of Dr. Wilford M. Bailey's tenure as interim president. The position has been advertised nationally since February 15 and Dr. Martin said he would like the position filled before the end of April. A broadly-based selection committee made up of many areas of campus as well as a representative from AUM is currently screening applicants and nominees for the job.

Naftel Family Makes Gift To Nursing

The Naftel family has recently given Auburn University land valued at \$181,000 to benefit the School of Nursing. The gift honors Dr. James Albert and Lily M. Naftel and expresses the donors' gratitude for the education which so many Naftels have received at Auburn. The 105-acre tract of land, located in Montgomery County, is one of several gifts of land made to the Auburn Generations Fund, which now totals more than \$54 million toward its \$61.7 million goal.

The donors of the Naftel gift are James A. Naftel '26 of Auburn, Carolyn Ruth Naftel '32, Lee A. Naftel '24, and Dorothy Naftel, all of Bessemer, Margaret Smith Naftel of Birmingham, Lillie Pearl Parrish of Greenville, Mary Carolyn Naftel Powell '50 of Charlotte, N.C., and James Ernest Naftel '48 of Nashville, Tenn.

While Naftel family members feel united in their enthusiasm and generous feelings for Auburn, the gift was organized by Dr. James A. Naftel of Auburn who received his bachelor's and master's at Auburn before receiving a Ph.D. at Ohio State. He then returned to Auburn as a soil chemist on the Experiment Station staff for 16 years.

According to Dr. Naftel, a gift to Auburn's efforts in the health professions is appropriate for several reasons. His father was a dentist, two of his uncles were physicians, and there have been dentists in the subsequent two generations of Naftels. Dr. Naftel, who served on the hospital board of East Alabama Medical Center for 10 years, also remembers well the local shortage of nurses. He worked with the group who obtained state appropriations to create the School of Nursing at Auburn.

FAMILY AIDS NURSING—Eight members of the Naftel family have given property worth \$181,000 to aid the Auburn School of Nursing in honor of their parents, the late Dr. and Mrs. James Albert and Lily M. Naftel. Pictured with Nursing Dean Mary Woody, right, are three members of the Naftel family. From left are Dr. James A. Naftel '26 of Auburn, Lee A. Naftel '24 of Bessemer, and Dorothy Naftel of Bessemer.

Inauguration Planned for April 27

Dr. James E. Martin will officially be installed as Auburn's fourteenth president during ceremonies on April 27, the Friday before A-Day.

The inauguration activities will begin with a lecture at 10:30 a.m. in the new Student Activities Center. Dr. Edward J. Bloustein, president of Rutgers University and chairman of the National Association of State Universities and Land-Grant Colleges, will make the inauguration address.

The inauguration ceremony itself will be held in Memorial Coliseum at 2:30 p.m. A reception will follow in the new Student Activities Center, which will also be dedicated during the weekend.

The inauguration committee includes Chairman John V. Denson of the Board of Trustees as well as former interim president Wilford A. Bailey; Curt Peterson, chairman of the University Senate; President Emeritus Harry M. Philpott; Emily Leischuck, vice chairman; James Williams, chancellor of the AUM campus; Buddy Weaver, president of the Auburn Alumni Association; and Bradley Moody, president of the AUM faculty council.

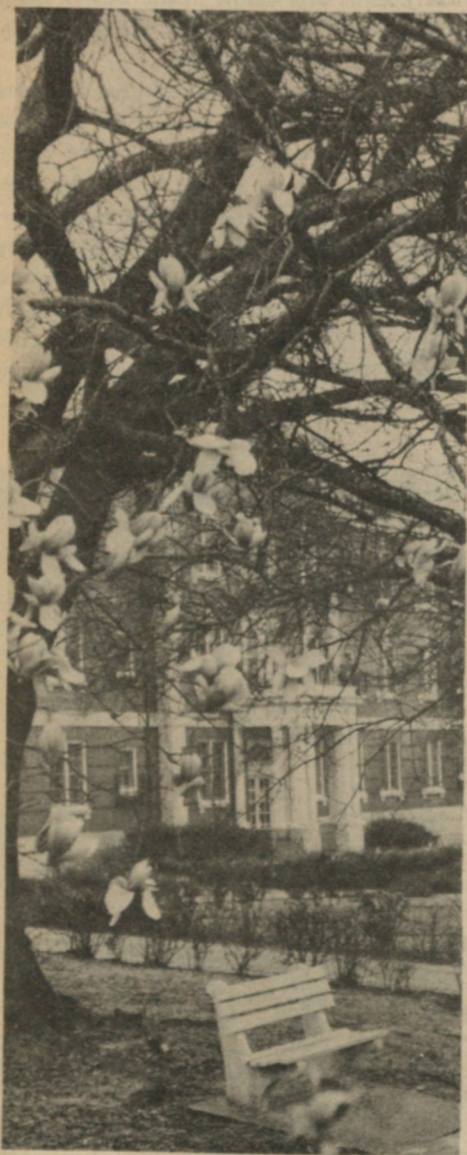

Alumni & Friends Make 1,171 More Gifts to Auburn In 1983

Eleven hundred more alumni made gifts to Auburn in 1983 than in 1982, and those additional gifts are reflected in the increased number of *Alumnews* pages occupied by the 1983 contributors in this issue.

Beginning on the opposite page and continuing throughout the issue are names of those who made a gift to Auburn during 1983. Of the 6,191 total, 4,807 are alumni, 904 are friends, and the remaining 480 are corporations or matching companies.

At intervals throughout the listing by class year are special lists of various clubs whose contributions were significantly large enough to receive special attention: The President's Club (\$1,000 or more), The Dean's Club (\$500 - \$999), the Pacesetter's Club (\$300 - \$499), and the Century Club (\$100 - \$299).

The listed donors made gifts to various Auburn programs during the past year, including the Auburn Generations Fund, the Auburn Annual Giving Program, or to one of the various scholarship programs funded through the Auburn University Foundation. The majority of the gifts were to Auburn Annual Giving, the yearly program through which Auburn alumni have supported an area of the university of their choice on an annual basis for 19 years. The total money coming into Annual Giving during 1983 was \$1,943,635.

LACROSSE IN THE LIBRARY?—For the uninitiated, that's a lacrosse stick being held by Wayne Sims, captain of Auburn's club team. The occasion for the picture: publicity for the Broun Souvenir Brick project that the club is launching to benefit Draughon Library and the club. Contributors of \$25 to the Auburn University Foundation will receive a specially-prepared brick from Broun Hall and a reproduction of a watercolor of the building that served many functions in its 75-year history. Full details are in the accompanying article. Here, Helen Maddox, Atlanta freshman who heads the "Lacrosse Little Sisters," presents a Broun Souvenir Brick to the Library Director William Highfill, flanked by Mark Maxwell, left, club president and electrical engineering sophomore from Springfield, Va., and Wayne, senior in marketing from Chiefland, Fla.

The number of donors in various clubs went up and down. The 367 alumni in the President's Club compares with 435 last year. The number of friends in that club was down slightly from 99 to 91.

The Deans' Club increased in number of alumni gifts (from 129 to 150) and decreased slightly in friends (from 35 to 30). The Pacesetters' followed the same trend with 114 alumni compared to 108 and 27 friends compared to 37 in 1982.

The Century Club showed tremendous growth in number of alumni donors—from 1,094 to 1,484—and a slight decline in number of friends in the club, 229 compared to 241 in 1982.

Broun Bricks to Aid Library & Lacrosse Team

The Auburn Alumni Association and the Auburn LaCrosse Club are joining forces to make available souvenir bricks from Broun Hall, which is currently being demolished, to aid the library and the club.

A contribution of \$25 to the Auburn University Foundation designated for the Annual Giving, the yearly program through Library Endowment/Broun Fund will bring the donor a souvenir brick via UPS. Contributors will also receive an 8"x10" print of an original watercolor of Broun Hall painted by Wally Ridgway '75. A small version of the print will be affixed to the brick, which will have a felt base and will have all surfaces sealed with a clear preservative. LaCrosse Club members are cleaning the bricks, purchased from the demolition contractor, and putting them in

"souvenir condition." Contributions will be shared by the library and the LaCrosse Club, the larger share going to the library.

Portions of the contribution which go to the library will qualify for the challenge fund established by J. W. Goodwin '27 and will help Auburn secure a \$600,000 gift for the library.

"We think the souvenir is a way Auburn folks can preserve a bit of the school's past

TO BE HONORED—Pi Kappa Alpha Fraternity will honor Horace A. Shepard '34 as *Alumnus of the Year* on April 28. Gen. Shepard is the retired chairman of TRW. Other of the fraternity's Founders' Day activities will include an alumni meeting and a reception honoring national president Joseph Turner, whose wife Kathy is an Auburn alumna. For more information, contact Dave Dyson at P.O. Box 59062, Birmingham 35259 or (205) 870-1084.

and help build its future—as well as lending our club a helping hand," said Mark Maxwell, president of the lacrosse group. "We want to get our club finances on a sounder footing," he explained, "but we also want to contribute to the university. Now, with the support of the Alumni Association, we can do both."

As other sports clubs on campus, lacrosse gets virtually no funds from regular university sources. Members of the various sports clubs buy most of their equipment and pay for referees, travel, and other expenses. Chartered in 1979, the lacrosse team for the past several years has played a 10- to 12-game schedule each spring with clubs at such schools as Tennessee, Georgia, Georgia Tech, Emory, Sewanee, and LSU.

Contributions should be made payable to the Auburn University Foundation, designated to the Library Endowment/Broun Fund, and mailed to Broun Souvenir, c/o Auburn Alumni Office, Auburn University, AL 36849-3501.

Ag Alumni Schedule Spring Meeting on Ag-Home Ec-Vet Day

Auburn agricultural alumni will hold their annual spring meeting and election of officers on April 13. That day is also the annual open house in Auburn's Schools of Agriculture, Home Economics, and Veterinary Medicine.

Officials of the three schools urge alumni to bring along several high school seniors and junior college students when they come to campus for the agriculture alumni association meeting.

ALL AUBURN—Recently when the All-Auburn family of Ralph and Wyleen Hill Carroll of Dalton, Ga., got together they had a picture made showing their Auburn allegiance. Left to right, by couples, are Bill Carroll '79 and Nancy Winslow Carroll '80; Don Dye '80 and Sissi Carroll Dye '80; Ralph Carroll '46 and Wyleen Hill Carroll '47; and Scott Carroll '70 and Robyn Greene Carroll. Bill and Nancy live in Augusta, Ga., where Bill will receive his M.D. from the Medical College of Georgia in June and Nancy is public relations director at St. Joseph's Hospital. They'll move to Ann Arbor, Mich., following graduation where Bill will do an ear, nose and throat residency at the University of Michigan. Sissi and Don Dye live in Tallahassee, Fla. where Don is a lawyer with his father's firm and Sissi teaches eighth grade English. Ralph and Wyleen live in Dalton, Ga., where Ralph runs Carpet Systems and both are active with local Auburn club activities. Scott and Robyn also live in Dalton, Ga., where Scott is in business with his dad and Robyn works at Hamilton Medical Center.

LOVE AUCTION—On Valentine's Day, Kappa Alpha Theta Sorority auctioned off dates with campus notables to raise money for the Auburn Speech and Hearing Clinic. Among those auctioned were Miss Auburn, Terri Hassell; the busy Dr. Wilford S. Bailey, on his last day in the president's office; quarterback Randy Campbell; and track star Jay Gonzalez, who brought the top price of \$70.00. Darnell's Restaurant provided free dinners for the dates. Pictured across the top of the page are, from left: Dr. Bailey, whose date was Leisa Ward; Jay Gonzalez, with his date Barbara Findler; Quincy Williams, who was the winning bidder for a date with Willola Ashley; and Randy Campbell, whose date was Penny Horton. At left are Pat Upchurch and auctioneer Tom Parwer, whose antics so delighted the crowd that they demanded that he, too, go on the auction block.

HOMEGROWN COCONUT—Edna '74 and Stuart Schoppert '70 of Honolulu, Hawaii, show off a homegrown coconut to Auburn visitor Joann Smith. The Schopperts, who moved to Honolulu from Tampa where they were active with the Tampa Bay Auburn Club, are homesick for Auburn friends. Stuart is with Pacific Telephone Co., and he and Edna would enjoy hearing from fellow Auburnites in Hawaii.
